

**PRIVATE AND CONFIDENTIAL**

**SOUTH AFRICAN COLLIERY MANAGERS' ASSOCIATION**

**Note for the Record of a General Meeting of Members of the Association held at the SACE Recreation Club, Witbank on 21 May 2009 at 09:00.**

**PRESENT:** Mr M Z T Masondo, President in the Chair,  
together with 107 members and guests, as per the attendance register.

**APOLOGIES:** As per attendance register.

**WELCOME**

The President welcomed members and guests to the General meeting, in particular Past Presidents, Messrs M J Bleeker, P A Scheepers, L D Turvey, W Uys, Honorary Life Member, Mr G Palm, Messrs L Bezuidenhout, R Baxter, C de Klerk and H Pearson.

The President reported that a quorum was present and declared the meeting constituted.

**PRESENTATIONS**

The following presentations were made:

- i) **Proximity Detection System in Bound Equipment by Mr C Duvenhage, Sasol Mining**
  - \* Strategy on Proximity for Mining Equipment
- ii) **Surface Mobile Equipment Collision Avoidance by Mr P Redlinghuys**
  - \* Implementation and technological learning and benefits.
- iii) **GPS Traffic Awareness and Collision Warning System by Mr S Niven**
  - \* Collision avoidance warning systems for opencast pit operations.
- iv) **Commodities by Mr R Baxter**
  - \* Mr M H Pearson introduced by Mr R Baxter, Chief Economist, Chamber of Mines

SA Mining surviving the global crisis and building a strong Industry capable of withstanding all stages of the cycle

### **SAFETY PERFORMANCE**

Mr L Bezuidenhout updated the meeting with the safety statistics from the beginning of the year. Mr Bezuidenhout reported that there had been an improvement over the same period in the previous year.

The President asked for any safety achievements.

The following achievements were reported:

- New Denmark Colliery, 4 000 fatality free production shifts;
- Middelburg Mine Services (Townlands) 2 000 fatality free production shifts; and
- Arnot Colliery, 4 000 fatality free production shifts.

### **PRESENTATION OF GOLD MEDAL AWARD**

The President recalled that the Association's gold medal was usually awarded at the Annual General Meeting, unfortunately this had not been possible.

The President reported that the gold medal had been awarded to Mr C de Klerk for his presentation entitled "The Floxal Inertisation System".

The President called on Mr de Klerk to come forward and receive the award.

Mr de Klerk thanked SACMA and updated members on the purchase of the floxal Inertisation system as well as a generator and a trailer.

Mr de Klerk reported that he was most concerned that the Health Professions Council (HPC) had withdrawn the basic ambulance assistant course and replaced this with a two year qualification. The new arrangement would come into force in 2010. Mr de Klerk reported that he would approach the Chamber, MMOA and the HPC in an attempt to provide some medical assistance training for brigadesmen when attending injured persons underground during the "golden hour".
